Engineering Undergraduate Award

Adam Dellinger

Gretchen Heberling

Gary Lemay

2010 winner Adam Dellinger is a student at the University of Toledo working toward a B.S. in mechanical engineering, as well as a minor in business. He is a Founder scholar, on the President's List and a National Merit Finalist. Dellinger is a member of the American Society of Mechanical Engineers, as well as Engineers Without Borders. He was previously a part of the University of Toledo Engineers Council. Dellinger currently works as a teaching assistant at the University of Toledo, and has previously worked at Heinz North America, as a research assistant at the University of Toledo and as a surveyor's assistant at Sheldon Engineering.

2010 winner Gretchen Heberling is in the honors program at the University of Wyoming, working toward a B.S. in architectural engineering. Heberling currently holds the position of president of the Mortar Board Seniors Honors Society and is a radio host for the University of Wyoming student radio. Previously, she was a peer assistant at the engineering labs in the department of engineering, as well as a social organizer for the University of Wyoming Honors Senate. Heberling is a Peak Achievement Scholar and an Honors Scholar. She currently works as a teaching assistant in the honors department.

2010 winner Gary Lemay is currently a student at Wichita State University, where he has received academic commendation and is pursuing a B.S. in mechanical engineering. Before that, he completed an associate in applied science degree in

nondestructive testing (NDT) with academic commendation from Cowley County Community College. Lemay is certified Level II in UT and completed a radiation safety refresher and IRRSP exam in radiography in 2010. Lemay is currently working as a materials research and design lab technician for Spirit AeroSystems in Wichita, Kansas. In the past, he also worked as a photographer for in-service inspection of aircraft, as well as a Level II UT inspector at both Spirit AeroSystems and Metal Finishing Co.
